ANNOUNCEMENT

Global Public Safety and Beltronics, Inc. proudly announce the acquisition of Beltronics, Inc (vehicle upfitting division) to Global Public Safety effective April 1, 2018.

Now working for Global Public Safety the installation team headed up by Dave Foster will still provide the quality installations that Beltronics customers have been accustomed to for many years.

While Global prepares its new and much larger facility located at 5 Executive Drive in Hudson, NH you will still find Dave and his team residing at the current Beltronics location until approximately May 1st.

- All existing Beltronics quotations will be honored
- More installers are being added
- A professional sales team is being implemented
- More product manufacturers will become available to you

You can reach Global Public Safety via phone or email:
